

Woosung International

Company introduction

Woosung International was established in July 2003, and has been exporting Polyester Staple Fiber (PSF) to all parts of the world, including North and South America, Europe, Asia, Africa, and the Middle East.

Currently, Woosung International is contemplating the expansion of our export business beyond PSFs, in order to supply our customers with the products that they need. We will do our best to be a company that always responds to the needs of our customers.

It is classified as either virgin fiber or regenerated (recycled) fiber, and is available in a range of colors. (white, black, etc.)

Product

Virgin Polyester Staple Fiber

Virgin Fiber, Hollow Conjugated Non-Siliconized (HC) and Virgin Fiber, Hollow Conjugated Siliconized (HCS) 7D, 15D, 20D 32MM, 38MM, 51MM, 64MM is Hollow spiral crimp for mattresses, padding, cushions, pillows, toy stuffing.

Product

Virgin Polyester Staple Fiber

Virgin Fiber, Low Melting Fiber (LM)

2D, 4D, 6D, 15D 38MM, 51MM, 64MM, 76MM is bi component type (melting point 110°C) for non-woven, mattress, padding, automobile interiors, hygienic materials.

Virgin Fiber, Solid Regular

6D, 7D, 10D, 15D 38MM, 51MM, 64MM, 76MM is for non-woven (spunlace, needle punch, padding, mattress)

Virgin Fiber, Semi-Dull Raw White

1.2D 1.4D 32MM, 38MM, 51MM is for Spinning

Product

Virgin Polyester Staple Fiber

Virgin Fiber, Micro denier Siliconized

0.7D, 0.9D 38MM, 51MM, 64MM is feather like lightness for blankets, pillows, cushions, sleeping bags, padding.

Virgin Fiber, Short Cut Fiber

0.8D, 1.5D 3MM, 6MM, 12MM, 18MM is for wallpapers, filters.

Product

Regenerated Polyester Staple Fiber

Regenerated Fiber, Solid Regular Super A Grade

4D, 6D, 7D, 10D, 15D, 20D 32MM, 51MM, 64MM

is for cushion, mattress, sofa, non-woven.

Regenerated Fiber, Solid Regular A Grade Non-Siliconized

Regenerated Fiber, Solid Regular A Grade Siliconized

6D, 7D, 10D, 15D, 20D 32MM, 51MM, 64MM is for cushion, mattress, sofa, non-woven.

Product

Regenerated Polyester Staple Fiber

Regenerated Fiber, Solid Regular Black Color, 6D, 7D, 10D, 15D, 20D 32MM, 51MM, 64MM

is for geo textile, non-woven , automotive interior .

Regenerated Fiber, Mixed Color (Mixed any colors) 6D, 7D, 10D, 15D, 20D 32MM, 51MM, 64MM

is for geo textile, non-woven(automobile)

Regenerated Fiber, Solid, Dope Dyed Colored Fiber 6D, 7D, 10D, 15D, 20D 51MM, 64MM, 76MM

is for non-woven fabrics, car interior finishing.

Product

Regenerated Polyester Staple Fiber

Regenerated Fiber, Flame Retardant Fiber,
4D, 6D, 15D 51MM, 64MM
(LOI value more than 40%)

is for mattress, filter, bedding, non-woven
fabric.

Application

2F Jung B/D, 24 Jangdeung-ro, Dong-gu, Daegu (41260) Korea
